DWA_03.5 Knowledge Check_DWA3.2

_____

1. User story(ies) in Gherkin syntax for the "+" button.

Feature: Tally Count Management
  As a user
  I want to increase my tally count on a web app
  So that I can keep track of my counts easily.

Scenario: Increase Tally Count using the Plus Button
  Given I am on the tally counting page
  And my tally count is 5
  When I click the plus button
  Then my tally count should increase by 1

_____

2. User story(ies) in Gherkin syntax for the "-" button.

Feature: Tally Count Management
  As a user
  I want to decrease my tally count on a web app
  So that I can accurately track my counts.

Scenario: Decrease Tally Count using the Minus Button
  Given I am on the tally counting page
  And my tally count is 8
  When I click the minus button
  Then my tally count should decrease by 1
